What is so important about "Suspension of Disbelief" that the antichrist uses it daily in as many households as possible?

"Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and *that* your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you."

JOHN 15:16 (KJ)

"And Jesus said unto them, **Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you."**

MATTHEW 17:20 (KJ)

Suspension of Disbelief -- 2. Defined by Webster Millennium Dictionary: a willingness to suspend one's critical faculties and believe the unbelievable; sacrifice of realism and logic for the sake of enjoyment. (Not necessarily yours.) You may say, "Why are you hammering us with this suspension of disbelief stuff?" Or someone else may be saying, "Anthony, why don't you simply say, 'Believe,' or 'Disbelieve.'" I say, "Please listen, there is a difference in that (believing and disbelieving) and what

‘Suspension of Disbelief’ is—making you stop believing in what is real and start believing in what is not real. (i.e., “over-the-top” Hollywood stunts.)

“If ye shall ask any thing in my name, I will do it.” John 14:14 (KJ)

Why not ask the LORD to make that scripture real for you? Suspension of disbelief can have us not believing in scripture like **John 15:16** or **Matthew 17:20**. I believe the “Suspension of Disbelief” is a spiritual technique used to prepare masses of people for a cruel and unusual specifically time eventuality. Suspension of disbelief is a Hollywood term which means to get audiences to stop disbelieving what they are seeing. Suspension works when a person or group of people start believing (even for a second) that what is not real is real. Once you believe that something that is not real is real, then your soul can be accessed viscerally to emote. Basically, you have bought a lie. You allowed your mind to act or behave in a way to receive a lie as if it is the truth. This represents an emotional spiritual doorway or gateway. This gateway must remain closed.

“Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven.”

Matthew 18:20 (KJ)

Once emotions are engaged by a second or third party, the victim then can be swayed emotionally. Think about that for a minute. Think about it. If something or someone can move you emotionally, how much control of you do they own? How much control will or can they have? What is the evidence of that control? Perhaps it shows up as errant behavior; errant purchasing habits, poor eating habits, errant late night behavior, following poor examples, looking up to improper behavior and mentors, okay to be numb to violence, and ignoring societal sexual degradation... Does our (group) suspension of our disbelief cause **Matthew 18:20** to become real

as applied to group belief in movie theaters or in the bars or in the clubs or in the arenas, or in the stadiums—and if so to what effect?

“And in that day ye shall as me nothing. Verily, verily, I say unto you, Whatsoever ye shall ask the Father in my name, he will give it you.”

John 16:23 (KJ)

Now when you are in the movie theater, watching a movie, the entire experience is more enjoyable when you imagine it is real and have fun imagining it as being the fullness of the movie-going experience. Laughing at the happy times and crying at the sad times. I say this, “Just don’t get too involved in the movies or video games or television shows and their characters because your mind may not always be able to determine what is real or not.” Right about now, you should be thinking, “WHAT?” Let me ask you this. Did you hear about the skateboarder who ended up in the hospital trying a technique he saw on the “Tony Hawke” video game. The victim said, “I don’t know why I couldn’t do it. I do it all the time on the Tony Hawke game.” You go figure. This is what I am talking about.

“For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.”

MARK 11:23 (KJ)

What I am saying is nothing but the truth, but here is the rub. I found this video on YouTube: Quantum Physic as Applied to the Mind, Part One of Ten; <http://www.youtube.com/watch?v=6-fba4OD208>. It is on the eBlessings web site under videos, “M.” On this video there are scientists who are talking about how the mind interprets data to determine what is real and what is not real. The Holy Spirit allowed me to see the connect between suspension of disbelief and the last two minutes of the video where it speaks to how the brain knows what is real.

In a nutshell: What I am suggesting is this. In the Brendan Fraser movie, The Mummy 3, he is fishing and having a difficult time of it. He finally shoots the fish he brings home for dinner. At the dinner table his wife pulls out a bullet when she eats her fish. Impossible. A 38-caliber or 45-caliber weapon will not leave a round in thin 2-3 lb. fish flesh. When she bit down on the bullet and spit it out, we all had a laugh. We laughed but it was an impossibility. What I am saying is that our brains at a neuron level, cannot determine between what is real or not. The same neuron patterns which are stored in the brain for real data, look the same as the stored data for unreal events. Read that again.

The big question is what determines how the brain determines what is real or not real based on your input of whether something is real or not. Listen. The question is when my brain goes to get an “experience” module or neuron, will it be the one which is a real experience or one based on a “movie experience.” Hopefully, this information will give you cause to pause and reflect on your viewing habits. Remember the Tony Hawke dude. Have a blessed day and believe. If Jesus can do it, did it, and does it and said you could do it... **YOU CAN.**

“And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.” John 14:13 (KJ)
