*Same sex marriage, gay marriage is a mask for sexual perversion as a right.
It opens the door to legal sexual perversion.*

“Thou shalt not lie with mankind, as with womankind: it is abomination. Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion.”

Leviticus 18:22-23 (KJ)

Homosexuality, Part Two. Please read Part One, 15 February 2010. (See Also **Leviticus 20:13; Judges 19:22-23; Romans 1:18-32; 1 Corinthians 6:9-11, Genesis 19:4-17, 24-26; 1 Kings 14:24**). Check out this information on the web site: [Amazing Bible](#).

One of the many problems in American society with anti-heterosexuality is that the demon of homosexuality will not stay in the bedroom. Gay Americans will have you believe that the cream of the gay crop, i.e., senators, judges, congressmen, attorneys, and other professionals have a normal life style without sexual perversion. Not true. Gay is sexual perversion against nature. Period. While in the bedroom, the demon of homosexuality gets lonely, brings in other sexual demons to play with; namely: bestiality, perversion, lewdness, lasciviousness, lubricity, pedophilia, sodomy, debauchery, pruriency, eroticism, licentiousness, obscenity, raunchiness, salaciousness, uranism, paraphilia, along with lewd behaviors and attitudes; then they want to go outside and play. This is anything but normal behavior. This is the behavior of “spiritual Babylon.”

Homosexuality is about sexual choice and sexual perversion against your very nature and against the nature of others. Do not get it twisted! Homosexuality is nothing like the “race” issue – not even close! How dare you fix your mouth and tongue to say it is so like the black struggle. African-Americans are black due to their skin color. Whites have their color. Asians have theirs. Mexicans theirs. Gay

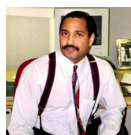

skin comes in different colors and that color does not impact their sexual desires nor the sexual choices they make; though they will make an argument for same sex marriage—following it up with a protest march as if in the Civil Rights days, as if we do not know that same sex marriage is a mask for sexual perversion as a right. Shall we pass laws to allow women to have sex with horses? They are wrong for that! Dr. Martin Luther King is rolling over in his grave because of it. When my oldest daughter was five years old, she began to tell me how she did not want to be black. She had and has no choice in the matter. She can act white, try to be white, but she's black. My youngest daughter looks white, but acts black. She has a choice to hang around with blacks or whites, as a black or white. These are choices.

When I was younger, I could not sit in downstairs in the movie theater. I had no choice because I was and am black. Blacks could only sit in the balcony. You would be escorted out of the theater if you tried to sit downstairs and probably arrested. Young folk and somewhat older folk, even folk like Jayz, Beyonce, and thirty-somethings really have no clue to the black struggle—they just go along thinking life is great as they look at their millionaire brothers play football and basketball on television, thinking “Isn't life grand!” Selfishness and greed reign.

Well my friends, life is not grand for everyone with colored skin. I have been told, “Nigger, get out of my store, before I shoot you.” I have had the black experience, unlike Obama; he is getting his now. I have seen the “colored only” signs in person. I knew Ben Chavis in North Carolina during the riots of the sixties, protesting white racism. How dare you compare, a person who chooses to allow someone to stick their fist up their vagina or anus to a person of color being denied their rights because of racism. How dare you say it is acceptable for a person to have a penis thrust up their anus; and have others accept this behavior as normal. How dare you!? Pluralism has its place, Mr. Obama and Oprah, but not when it comes to anti-heterosexuality, our children, and the heterosexual American society. Read the “tea leaves” that Nature and the Earth are giving you; HIV/AIDS—a “spiritual” plague for and from Babylon.
