*When your world is falling apart, build your foundation on Christ.*

**“And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD;”**

**ISAIAH 11:2 (KJV)**

**E**recting the building of life -2. [See Part One, 25 July 2006.](#) For any building to be guaranteed, it requires a suitable position and location. There are processes in erecting a building:

**1. The step of foundation:** Everything about the Kingdom is centered on the foundation. God is a God of foundations. God can never be the Omega, if He was not the Alpha. The foundation of our today is dependent upon our yesterday. If you cannot build a foundation, you will never erect any building. The foundation in every building envelops its purpose. Everything in life is a about purpose; everything is working towards its purpose. Miracles cannot give you purpose. It is purpose that brings the miracle.

**2. Every foundation carried two major pillars:**

- a) **The Pillar of Assignment— “...For this purpose the Son of God was manifested, that he might destroy the works of the devil.” 1**

**John 3:8)** Jesus could not come until there was a purpose. Tell your neighbor that you are here because of an assignment. Jesus will NOT do what you CAN do. He will only DO what you CANNOT do. No matter how close the relationship Jesus had with Lazarus, he (Lazarus) could not roll away the stone. Until the stone was rolled away, there was no resurrection (**John 11**).

- b) **The Pillar of Potential— (Isaiah 11:1-5)** In order for you to maintain your location and position, you must build up your capacity. Increase in knowledge and wisdom. For wisdom is the principal thing.

If you were preparing a dough and left out the flour, what you have is a mess. Therefore, in anything that you do, obtain wisdom and wisdom comes from nowhere, but God. I pray that as you are part of the eBlessings network, understand your assignment, work towards it and build your capacity. May God bless you as you build the foundation of life.
