**“When therefore the Lord knew how the Pharisees had heard that Jesus made and baptized more disciples than John, (though Jesus himself baptized not, but his disciples,) he left Judea, and departed again into Galilee. And he must needs go through Samaria.”**

**JOHN 4:1-4 (KJV)**

**E**recting the building of life -1. For any building to be guaranteed, it requires a suitable position and location. The same message that was preached in Judea that never moved the people or changed their lives was the very message that the woman, I mean an adulterous woman, just receiving a single word, turned her village for Jesus. Jesus preached this message for years in Judea, but could not move the people, the right people.

**“Now after the two days He departed from there and went to Galilee. For Jesus Himself testified that a prophet has no honor in his own country. So when He came to Galilee, the Galileans received Him, having seen all the things He did in Jerusalem at the feast; for they also had gone to the feast. So Jesus came again to Cana of Galilee where He had made the water wine. And there was a certain nobleman whose son was sick at Capernaum. When he heard the Jesus had come out of Judea into Galilee, he went to Him and implored Him to come down and**

heal his son, for he was at the point of death. Then Jesus said to him, 'Unless you *people* see signs and wonders, you will by no means believe.' The nobleman said to Him, 'Sir, come down before my child dies!' Jesus said to him, 'Go your way; your son lives.' So the man believed the word that Jesus spoke to him, and he went his way. And as he was now going down, his servants met him and told him, saying, 'Your son lives!' Then he inquired of them the hour when he got better. And they said to him, 'Yesterday at the seventh hour the fever left him.' So the father knew that it was at the same hour in which Jesus said to him, 'Your son lives.' And he himself believed, and his whole household." John 4:43-48 (NKJ) This was the second miracle of Jesus.

When the purpose of a thing is not known or believed, abuse is inevitable. I don't know how long you have stayed in your Judea or have been subjected to your religious and traditional behavior, but I want to let you know that it is your location that will determine your allocation. The people of Judea saw Jesus and spent time with Him, but never knew Him. Know and appreciate what God has placed among you so everyone can receive the allocation God has promised. May you obtain your allocation by increasing your faith and appreciation in what God has placed with you for the good of His Kingdom. See Part Two, 27 July 2006.
