Each One! Bless One!

* * * * *

With JESUS, we CAN defeat evil as it attempts to negatively impact our lives.

"When an unclean spirit goes out of a man, he goes through dry places, seeking rest, and finds none."

MATTHEW 12:43 (NKJ)

Front seat driving. It seems that many Christians like to ignore the existence of evil though its presence can easily be seen in the world. Many people just read over those passages in the Bible which explicitly tell you that Jesus was casting out demons, devils, or evil from people. (**Matthew 8:16, 28; 9:32-33; Mark 1:32,39; Luke 4:33**) This means that devils, demons, evil can and does enter people, use people, and can come and go in and out of people. This is real because we are vessels. Even if you do not believe or chose to accept it, or if you ignore it; it is real and it happens.

Have you ever been driving a car or riding in a car and there is a passenger who tells the driver which way to go. They tell the driver: "Don't go that way, turn right here!" "Why are you going this way? I know a shorter way." "Where are we? We should have gone that way."

I know you have seen that person, listened to that person, or maybe you have been that person. When you are driving and someone or something else is telling you which way to go, I call that "FRONT SEAT DRIVING." You are driving your body, but something else is telling you which way to go. You have control over some of your decisions, so you are not completely out of control—not completely

in bondage. But you are capable of doing some of the most idiotic actions, having some of the most absurd thoughts and dreams, and you have impulses like you have never had before. And you think: *"This is not like me. I would not think this. Where did that thought come from? I wouldn't dare do what I am thinking."*

Before you know it, you are doing that crazy, evil thing that you were thinking (or that was placed in your head), you are acting out evil imaginations (that you don't know from whence they came), saying things which are not at all like you, and going places which you know are not in your best interest or in the interest of your family or community. You are front seat driving, but something else is telling you which way to go.

Our thoughts, the desires of our hearts, the lusts of our flesh, our actions, in other words, our disobedience to God's Word, to the Words of Jesus, or the Directions of the Holy Spirit opens our bodies, opens our temple doors to the presence of evil, evil energy, evil thoughts and actions which have the potential to negatively impact our lives. Learn to say, "The LORD rebuke thee!" when evil thoughts, emotions, behavior, actions occur or try to occur in either you, your family members, or anyone with whom you are near (at work, school, or church).

FRONT SEAT DRIVING
