Modern day lawyers are hooked up with again with the Pharisees.

And who were the Pharisees hooked up with?

“I will make you perpetually desolate, and your cities shall be uninhabited; then you shall know that I am the LORD. Because you have said, ‘These two nations and these two countries shall be mine, and we will possess them,’ although the LORD was there, therefore, as I live, says the Lord God, I will do according to your anger and according to the envy which you showed in your hatred against them; and I will make Myself known among them when I judge you.”

EZEKIEL 35:9-11 (NKJ)

American Election 2008 - 10. Governor Sarah Palin. The Holy Spirit directed me specifically to the above scripture. I am voting. This devotional is about the [prophecy](#) of [E2](#): “*McCain to win by a landslide,*” found on the [Prophecy](#) page. Please read American Election 2008 -1, Monday 1 September 2008; [September International Daily Devotional Archives](#).

Sarah, Sarah, she’s our man; if Sarah can’t do it nobody can! Sarah, Sarah, Sarah, she’s our guy, if she can’t do it, who will try? I interrupt this devotional for a special announcement from [Dr. AC Brown](#).

“Everybody acts like they don’t know what is going on with Barack,” AC comments, “God is what is going on. Don’t you know that I am wrapping Barack four times a day with the Blood of Jesus prayer? That’s what’s happening. Nobody has raised so much money in such a short time, but Obama! I pray for the Braves when they won the World Series and Ted

Turner ain't thanked me yet. I prayed for OJ Simpson during his first trial but not this one. I prayed for Magic Johnson to stop his AIDS and he aint' thanked me yet either, his foundation just sent me a letter. I'm telling you Allen, if the people knew how to use their Bible, they would knock the doors down to the church trying to get in."

Now back to our currently scheduled programming—Sarah Palin is a knockout. McCain and Palin are very much in the race. Remember, in America almost everyone, emotionally pulls for the underdog—I am talking the middle class not the FAT CATS; remember, America is mostly the Middle Class.

Remember, Barack that you do not want to "bash" an elderly man; the public will not seat well with that. Biden stop the misleading comments. In the event of an Obama victory, watch for the white male backlash.

Gov. Sarah Palin for President. She looks like Miss America. She looks like Mrs. Peabody. She is intelligent; though the media paints her dim, funny how women will tear one another down when they should be lifting one another up... funny, huh? She is the only person in the race with management experience... funny, huh? Lawyers managing your American government—non-managers, managing your money. What did someone say about lawyers?

"But the Pharisees (Jews) and lawyers (American Senators and Congressmen) rejected the counsel of God against themselves, being not baptized of him." Luke 7:30 (KJ)

"And he said, Woe unto you also, ye lawyers! For ye lade men with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers." Luke 11:46 (KJ)

"Woe unto you, lawyers! For ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindered." Luke 11:52 (KJ)

Lawyers hooked up again with the modern-day Pharisees. One cannot change the American Bureaucratic system in one Presidential term, nor two—even with a packed deck of Senators and Congressman—remember in the system Greed and Avarice reigns supreme, making way for antichrist forces. Change will stagnate and blame will go this way and that

as votes are bought by Republicans, Lobbyists, and Special Interest Groups. Back to Palin.

I couldn't tell if NBC was trying to help or hurt Palin, but this is what happened to all who saw it: they had a "visceral experience." Whether agreeing with her politics or not, they had an emotional experience which will translate into voting booth energy when the brain makes that emotional connection with the heart to make a mental decision.

They launched her into the bedrooms of many a men in America who are fascinated with late night Internet adult entertainment—a \$50 billion industry. Imagine that... not funny, huh? But Palin was creamy, yummy—a tasty treat for many a male viewers—translating into emotional energy. Polls, ha, ha, ha, funny stuff.. like they measure something real. Who bought that poll this time? And who paid the leverage on the margin of error?

One last thing. Revamp the political system. We spend millions, billions in wars, and millions on political campaigns while our schools suffer, jobs suffer, roads suffer, veteran care suffer, elderly care suffers, mental institutions suffer—let me see here, didn't I say one time that the antichrist wants to make humans suffer, humm, that's not funny, huh? But Saturday Night Live was funny, huh? The media is slamming Palin, but that is to be expected because she tries to slam them. When will they learn, never attack the media, they got guns!

Palin is a fox and she got rhythm. Don't worry about the bridge everyone makes mistakes. And folks, guess what? If McCain wins, there will be Blue Collar influence (Palin's husband) in the White House for the first time since Jimmy Carter, I love that man. Carter's the man. Palin's the woman. Cute! Sassy! And smart! One last thing America. We will be taxed! There is no way out of this financial mess unless everyone contributes. Everyone!

CLEAN UP THE MESS
