But, let's not be mistaken, the debates were professional and satisfied our desires for good ole Americana when they are spending millions on politics when 94% are suffering or at its beginning. Isn't that just like the antichrist—let them suffer?

“He who has an ear, let him hear what the Spirit says to the churches. To him who overcomes, I will give the right to eat from the tree of life, which is in the paradise of God.”

REVELATION 2:7 (NIV)

American Election 2008 - 8. There is so much that I would love to tell you but time does not permit. I must start using video. Much of what I have been telling you in this devotional series and in the End of the World? Devotional series comes from the LORD, from His Holy Family. What I am saying is, when I read many things, I see between the lines. That is one reason I do not like to read the newspaper because of what I see in it. I will begin to share this in future devotionals because it seems that the general population cannot see what is coming.

Sometimes when I listen to people, I hear the Holy Spirit giving me a “play by play” of what is really happening. There are many things I receive from Christ Jesus which I share -- and much which I do not. I understand that many of you may not understand or agree with what is said in some of the devotionals written, but remember Jesus told me that the Oracles I was to receive through eBlessings was to “Raise the spiritually dead; to raise an Army for Christ.” So if you do not receive this information; it is not for you.

This devotional series is also intertwined with the End of the World devotional series. And really, I need to do one on the \$700 billion Mark of the Beast spiritual dis-investment. If you didn't know it, foreign banks are now staged to and are purchasing our American banks and soon will have access to what is left of the \$700 billion. You will see the consortium of the Big 7 nations, which meet this Friday organize the world's monies into one large world-wide fund; maybe not this Friday but soon... very soon.

To the election. The debates were very prim and proper. Very professional; and if we could eat professionalism, that is all we would need. But you see, these two FAT CATS, (and do not be mistaken, Obama is one, it just took him longer to become one) voted for the BAILOUT and it seems the American public doesn't understand that word, "bailout." Nor do they care that MILLIONS of dollars are in the hands of BAILOUT EXECUTIVES who WE just bailed out—Golden Parachutes which Congress acts as though they cannot take back—maybe they can't because of the laws they just wrote so they couldn't? Huh!? You had best read that line again.

So, whose interest do they have at heart: THEIRS. They will say they have the interest of the country at hand—hey let's not be mistaken about it—WE ARE THE COUNTRY; the people are the country and you are saving the top 6% of the country, not the rest of the 94%--and Oprah you are in the 6%, let's not be mistaken—and you too Tyler--finally.

The top 6% do not need help; the 94% do need assistance. From whence shall this help come? But, let's not be mistaken, the debates were professional and satisfied our desires for good ole Americana when they are spending millions on politics when the 94% are suffering. Isn't that just like the antichrist—let them suffer? Can you say Marie Antoinette?

This Election is so intertwined in Revelation; look opposite of America to see what else is going on as it concerns Revelation events. Here is one thing that is going on—Christian soldiers are fighting Turkish soldiers in Iraq and being touted as Christian soldiers fighting Muslims. This is the antichrist moving. Why? These soldiers are not Christian—they are Catholic. Catholics are not Christian unless they are born-again and place Jesus above the Virgin Mary. Catholics, you must remember, were the CRUSADERS who helped, with Muslim and insurgent elements brought death, pain, suffering, and destruction to humanity—the ANTICHRIST

moving—the Crusades. And here it is trying to raise its ugly CRUSADE head again, claiming to be Christian when it is not—parading around with a CROSS which is the symbol of the antichrist which represents a “HEY DAY” in the existence of the antichrist—crucifying Christians up until the Holy Roman Catholic Church was manifested. So, be aware of Catholic Soldiers claiming to be Christian unless they are re-born in Christ.

Election: the \$700 billion “rush to injustice” (continued):

9. Where are the coffers of IRAQ in all of this?
10. Where are the Chinese who is getting all of our money from their poor goods they sell us at the B-I-G MART?
11. What about the super rich Jews (JEWS: the slave name of Hebrews. Are they continuing in the slave mentality of Ancient Times and serving the same masters?) Note: they are still using their slave names in open society (hear: “open circles,” unlike “nic-nics” (Negros) who do not use theirs openly though they try; we do it in “closed circles.” Do not ask me what “open” or “closed” circles mean; this is the first I have heard of it—I will keep you posted.
12. Where is Alan Greenspan? What does he have to say?
13. Why are some of these people not going to jail? If a juvenile “nic-nic” steals a candy bar, the SYSTEM wants to try him as an adult and put him in adult prison. If a FAT CAT steals \$25 million, let’s say on the conservative side, he gets a slap on the wrist. If he defaults on his loans, he gets a bailout; if Joe Blow defaults, he gets the pavement. And Americans say, “Hey, that’s okay. That is how our system works.” Sure right! Bend over and take another one. Americans, WAKE UP!

14. Let's not be mistaken, while we are being greedy over here; they (the enemies of God) are killing Christians; not flesh and blood—but powers, principalities, and spiritual wickedness in high places.

This devotional is about the [prophecy](#) of [E2](#): “McCain to win by a landslide,” found on the [Prophecy](#) page. Please read American Election 2008 -1, Monday 1 September 2008; [September International Daily Devotional Archives](#).

I am voting for Obama. At least that is what I plan to do. Do not be mistaken, when one goes to vote, only one votes that vote. No matter what they tell you how they voted, when they were in there, “only Jesus knows” how they voted.
