*We are stewards of Christ's Kingdom
and the keepers of His Children (hear: brother's keeper).*

“Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: for I was hungry, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger and ye took me in: naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me. Then shall the righteous answer him, saying, Lord, when saw we thee hungry, and fed thee: or thirsty, and gave thee drink? When saw we thee a stranger, and took thee in? or naked, and clothed thee? Or when saw we thee sick, or in prison, and came unto thee? And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done *it* unto one of the least of these my brethren, ye have done *it* unto me.”

MATTHEW 25: 35-40 (KJ)

American Election 2008 - 1. Ask yourself this: Would Jesus be happy with American Elections? This devotional will not discuss the astronomical waste in dollars pouring into these elections—

these dollars are like the dollars pouring into the anti-God's Will destruction of Iraq and her people; with none of these dollars going to help God's Will: helping the poor, the widows, the oppressed, the prisoners, the sick, the homeless, the aliens. And this devotional will not talk about millionaire "Congresspeople" and Senators who represent only their millionaire interests. If you are not a millionaire in American elections you have no representation. Millionaires represent millionaires and the interest of millionaires—not those interests of others—serving primarily the interests of 'mammon.'

This devotional is about the [prophecy](#) of [E2](#): "McCain to win by a landslide," found on the [Prophecy](#) page. Here is the explanation. I pray that Obama's people do not kill me like they did Bernie Mac (for speaking out of turn—not knowing my place (that's just it...I do know my place... with Christ Jesus). You think "Big Tobacco's Interests" didn't kill Bernie. They kill 1,200 humans a day. 1,200 that's 1,200 a day. Do you think they would think twice about making it 1,201...1,201 humans a day.

Here we go. McCain is in the pockets of the oil giants. Now whenever you hear me say somebody is in somebody's "pockets" know that they are in each other's pockets. So when I say, McCain is in the oil giants pockets, then also know, the oil giants are in the pockets of McCain. Meaning: they scratch each other's backs—they take care of one another. The Bush family is in bed, in the pockets of the oil giants, McCain also. Obama, a smoker of tobacco, is in the pockets of big tobacco (the killer of 1,200+ humans a day!!!) Big tobacco is in bed with Obama and he with them.

Here is the kicker: when someone is in bed with another person, know they are in bed with whoever the other person was in bed with also. Meaning: Obama is in bed with big tobacco and in bed with the other people that big tobacco is in bed with; or whose pockets they are in. (As, /

reviewed this writing the Holy Spirit tells me, big tobacco is in bed with the medical industry.) So imagine a giant bed with all these players in it. Having sex and fun at your expense—OUR EXPENSES. That is about what is happening in every industrialized country in the world. The skinny people are getting skinnier while the fat people are getting fatter. The “Let them eat cake,” mentality. On this foundation stands the present American election.

Now let me proceed further before I end this and make it part one which I had only planned a one-parter.

Obama claims to make change while McCain makes change. Obama and Biden—the old MALE partnership thing again. This time one is white and the other is white in black face (meaning: *socially* more white than black). TWO MALES: it seems I have seen and heard that story before—NO CHANGE.

McCain makes CHANGE—even before being in office—a white MALE with a white FEMALE—this is change. Now let’s run with that ball. Palin, a great choice of running mate. I believe the only better choice would have been Condoleezza Rice.

Listen to how Palin is going to defeat Obama.
